

HAL Poll Dispute Form

Animal Details

UQ Case Number:

Ident:

Phenotype:

Date of Birth:

I have attached a photograph of the relevant animal.

I have attached the laboratory-confirmed pedigree for the relevant animals.#

If laboratory-confirmed pedigree is not available, please follow process below to confirm parentage.

I include the case numbers of nominated sire and dam, who already have a compatible DNA type (SEQ or GGP) on file at UQ

OR

I include fresh samples for the nominated sire and dam; AND,
I include the phenotypes of nominated sire and dam, including photographs.

If required, I agree to pay the relevant testing costs as per Hereford Australia Limited Agreement to generate markers required for Parentage verification. These profiles will be generated from GGPLD or equivalent genomic assay and will remain on file for future use. Indicative cost per sample = \$75 ex GST.
