Date Semen Required:/...../.....

Please note that invoicing will be processed by ABS, not Herefords Australia.

Semen is priced at two levels depending on the intended usage, being either Stud or Commercial.

The submitting member acknowledges that any male calves bred using Commercial semen must be castrated.

Hereford True Genetics ear tags will be supplied at a rate of one tag for every two straws of semen purchased. More tags will be supplied on receipt of actual pregnancy test results and / or calving records. Hereford True Genetics tags can only be applied to calves bred using semen from the Super Sires program.

The member acknowledges that failure to comply with these requirements may result in disciplinary action.
