

Herefords Australia Schedule of Fees 2023

**Valid from 3rd January 2023*

Registrations

Item	2023 Prices (incl. GST)	Fee description
ET Calves (each) as per inventory fees below	\$33.00	Fee for gathering additional information required for ET registration (this is instead of charging an inventory fee on the Donor Dam)
Late Registration Fee (over 12 months of age)	\$23.50	Charged if the animal is over 12 months of age at the time of registration
Reinstatement Fee	\$47.00	Fee for reinstating an inactive Dam in order to register her calf
Upgrade from Performance to Herdbook	\$118.00	Upgrading an eligible HPR animal and any eligible HPR animals in its pedigree.
Overseas animal import fee	\$118.00	Covers the administrative costs of collecting all necessary paperwork and DNA data from the exporting country
Australian animal export fee	\$118.00	Covers the administrative costs of providing all paperwork and DNA data required to the importing country. DNA testing not included.
Embryo import/export fee	\$118.00 (capped at \$330)	Covers the administrative costs of collecting/providing all necessary paperwork and DNA data to other countries. DNA testing not included
Commercial Registration Fee (per animal)	\$10.75	Allows an animal to be registered into the Commercial register, where the Dam has not been charged an inventory fee.
Pedigree Certificates by mail (per mail out)	\$5.90	Printing and postage cost for registration certificates
Calf recording form processing (new) - Includes postage of certificates	\$27.00	Covers administrative costs for HAL to process Calf Recording Forms

Annual Inventory

Item	2023 Prices (incl. GST)	Fee description
Herd Book Registered Female (HBR)	\$33.00	Keeps the female active on the HAL database for the calendar year, and allows her calf born that year to be registered into the HAL database
