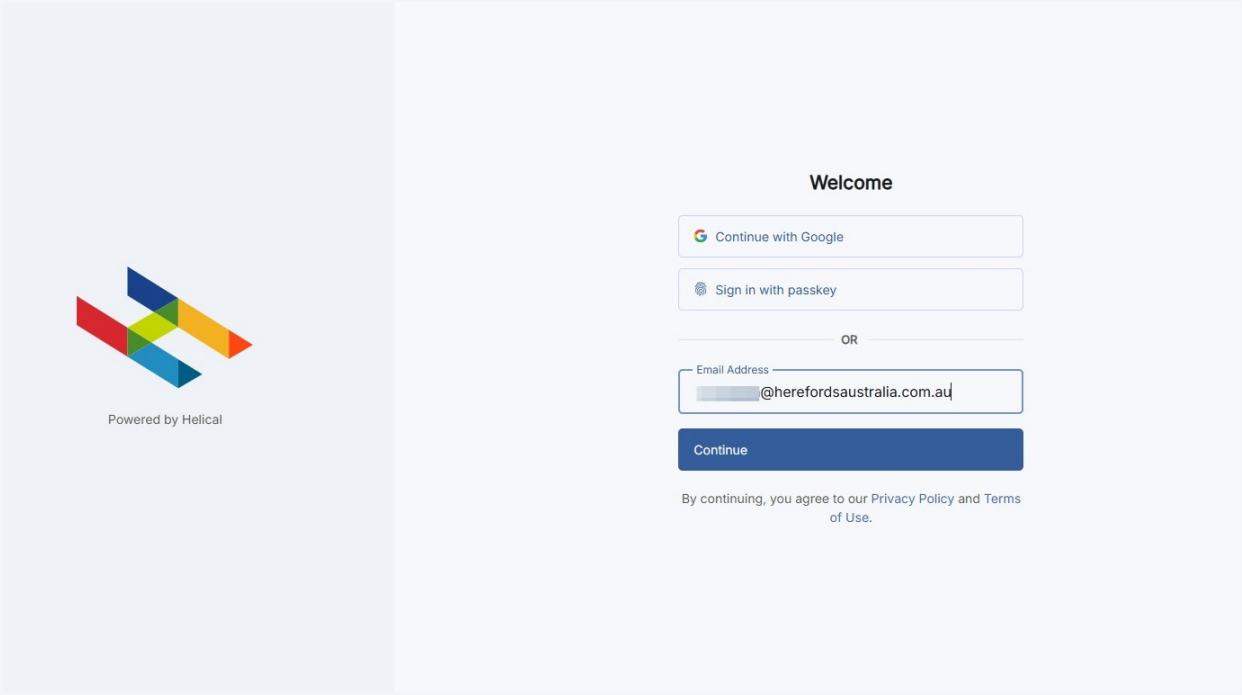
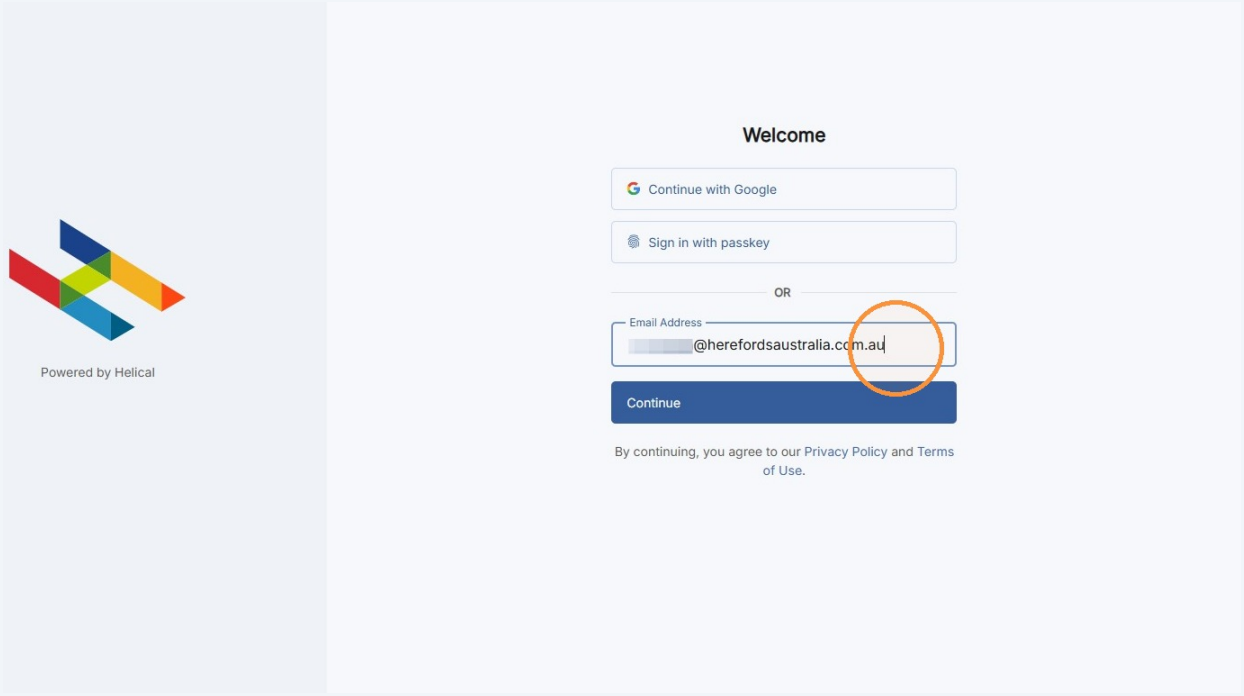
How to create Helical user login

Learn how to navigate to the Helicalco login page and initiate the authentication process. This guide provides the quick steps needed to input your email address and continue to your account dashboard.

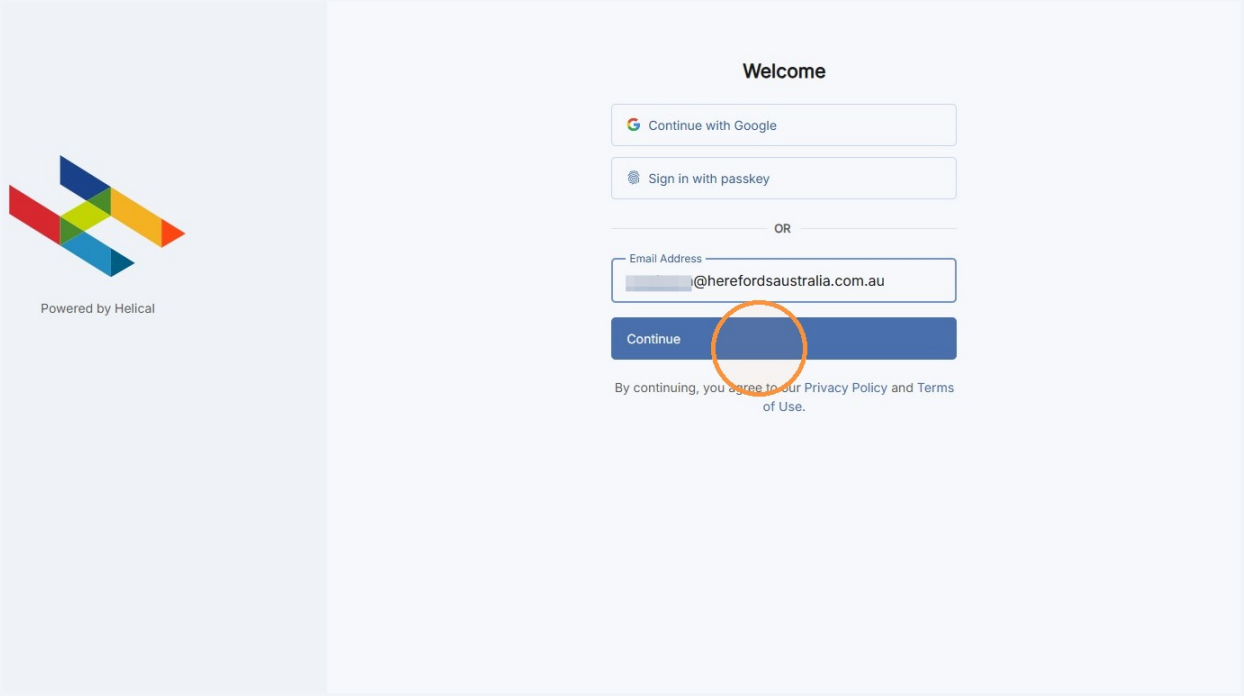
1 Navigate to the Helical Log in button on the home page of the Herefords Australia website or click the link below. https://app.helicalco.com/auth/login?redirect_url=https%3A%2F%2Fapp.helicalco.com%2F



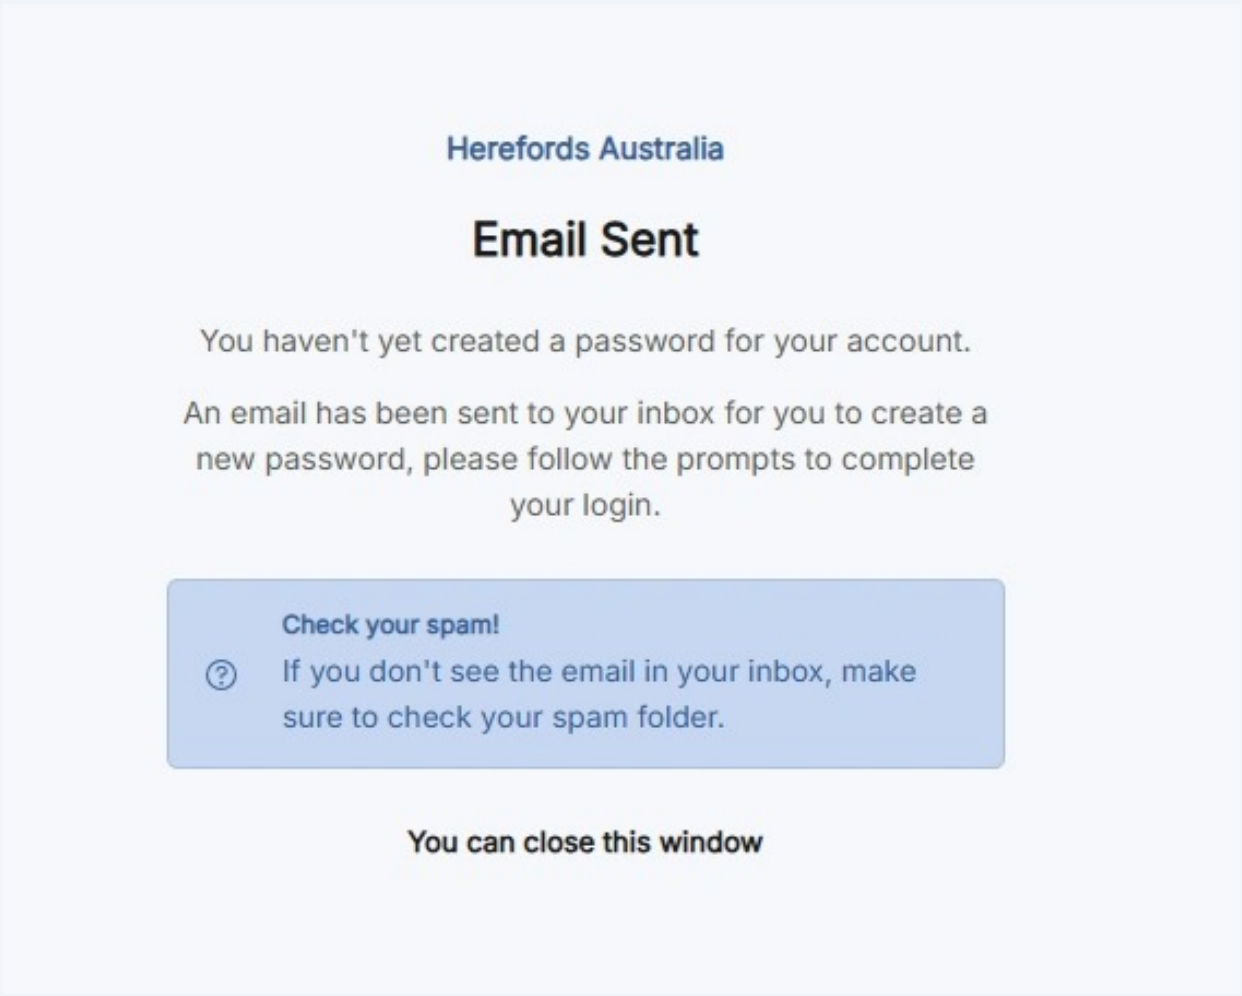
2 Click in the "Email Address" field. Enter your email address that is associated with the membership you are wanting to login with. If you are unsure if an email address is linked to a membership, please contact the office.



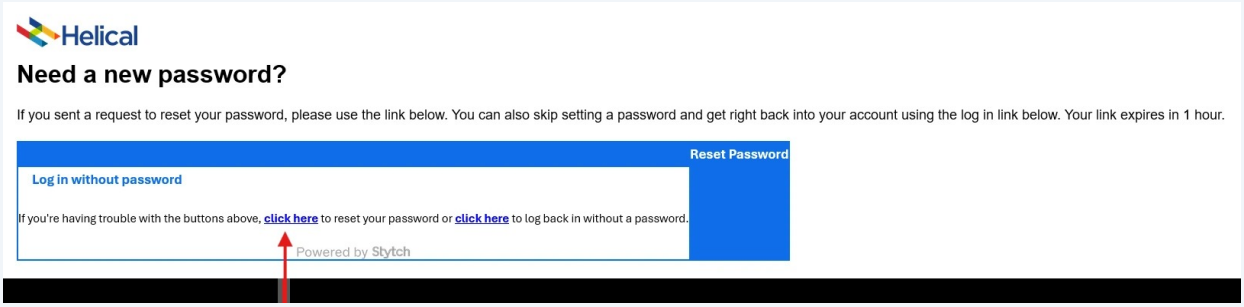
3 Click "Continue"



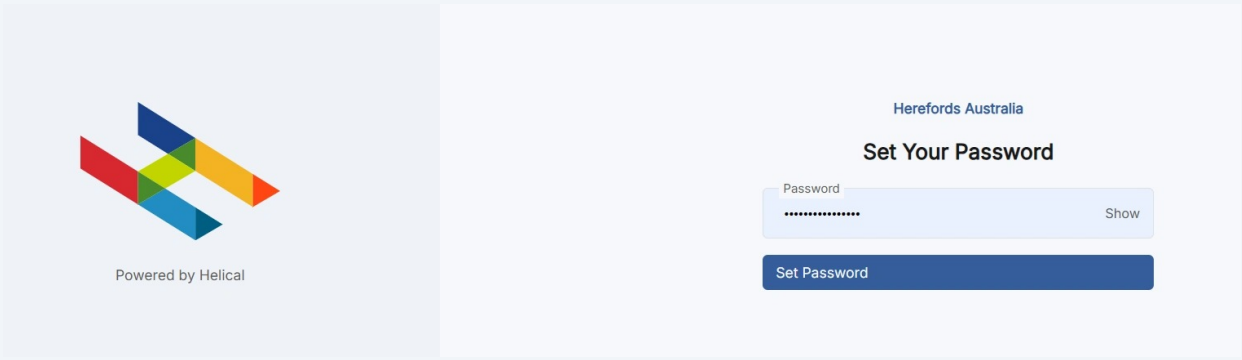
4 This notification will appear



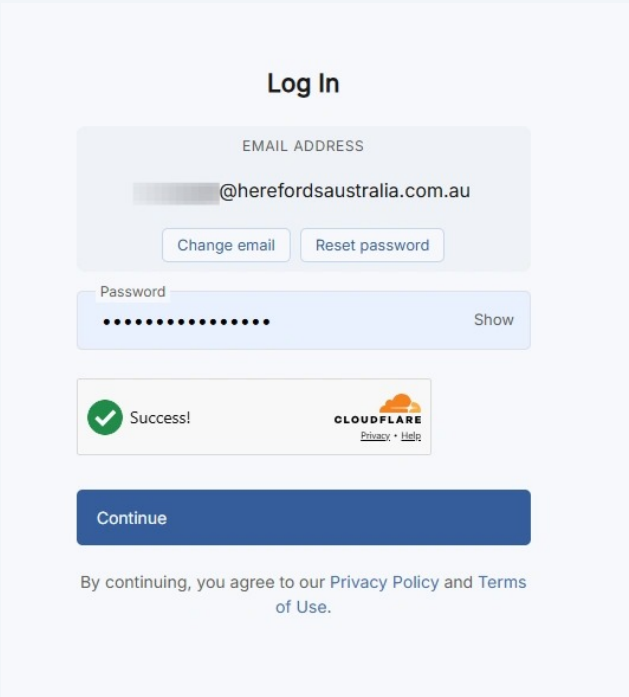
5 Go to your emails and search for the email from sender "Login" and open it. Click the blue hyperlink "click here" to set your password.

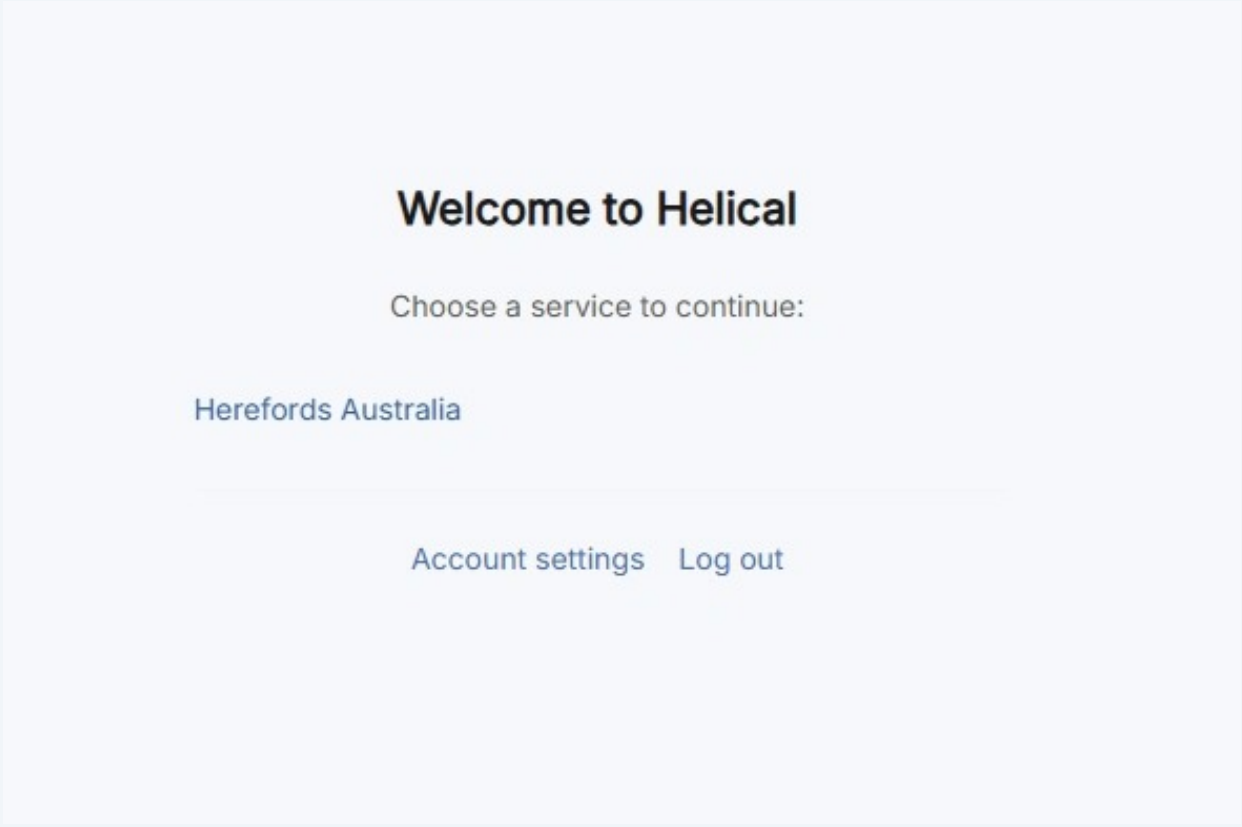


6 Choose your password and click "Set Password"



7 Log into Helical using your new password





8 Select Herefords Australia and it will log you into your Helical Dashboard page
