Schedule of Fees 2026

Valid from 1 October 2026. All prices include GST.
Prices are subject to change throughout the year without notice. Visit www.herefordsaustralia.com.au for current fees.

HEREFORDS Australia

Membership

Item	Price	Fee Description
Ordinary Membership	$200.00*	Allows the member access to staff, correspondence, publications, online resources, voting rights and participation in Live exports and National Shows and Sales. Charged annually.
Registry Access	$151.50*	Added onto Ordinary and Youth Membership for members wanting to register their animals. Includes all Ordinary and/or Youth membership entitlements, plus access to DNA services. Free to Youth members if they have less than 10 females on their inventory. Charged annually.
Youth Membership (<25 years old)	$39.00*	For members aged 7 to 25 years. Allows the member access to staff, correspondence, publications, online resources and participation in Youth events (entry fees still apply). Charged annually.
International Membership	AUD$58.50*	Allows the member access to staff, correspondence, online resources and selected publications (bi-annual Herefords Australia magazine). Charged annually.
Prefix & Tattoo/Herd Letter Registration	$13.00	Required for new members with Registry Access who intend to breed and register calves (one off fee).
Change of Stud Prefix and/or Herd letters	$515.00	a) Applies if a member wishes to change their Stud Prefix and/or Herd letters. b) A Prefix and/or Herd letters are transferred to an existing or new member. The Stud Prefix and/or Herd letters will not be changed on animals that already exist in the HAL database.

Stud members require Ordinary + Registry Access, so an annual membership fee of $351.50.
*50% Discount on Membership fees for new members joining from 1 September to 31 December.
* 50% Discount for Registry Access for new members joining from 1 September to 31 December

Annual Inventory

Item	Price per female	Fee Description
Registered Females		Herd Book Registered (HBR), Performance Registered (HPR) and Multi-Breed Registered (MBR) Females including Miniature HBR & HPR. Sliding scale applied within each register e.g. first 100 females on HBR and first 100 females on HPR will be charged at base rate. Additional females on each register will then be billed in the next bracket. Keeps the female active on the HAL database for the calendar year, and allows her calf born that year to be registered into the HAL database.
First 100	$36.50	
101 – 200	$34.50	
201 – 300	$32.50	
301 – 400	$30.50	
401 – 500	$29.00	
501 >	$28.00	

BREEDPLAN

No. of Females on Inventory	Price per female	Fee Description
First 100	$9.50	Allows all eligible animals in the members herd to be included in the BREEDPLAN analysis. The fee is calculated on 1st June for that calendar year, based on the number of active females in the members inventory list.
101 - 200	$8.50	
201 - 300	$7.50	
301 >	$6.00	

Registrations

Item	Price	Fee Description
ET Calf recording Fee	$36.50	Fee for gathering additional information required for ET registration. Applies even if an Inventory fee has been charged on the Donor Dam.
Late Registration Fee	Animal is 12-18 months old: $13.00 Animal is 18 months or older: $51.00	Calculated depending on the age of the animal at the time of registration.
Reinstatement Fee	Current inventory fee multiplied by the number of years the animal has been inactive	Fee for reinstating an inactive Dam in order to register her calf.
Upgrade from Performance (HPR) to Herd Book (HBR)	$132.00	Upgrading an eligible HPR animal and any eligible HPR animals in its pedigree.
Upgrade from Commercial (HCR) to Herd Book (HBR)	$132.00	Provided four generations on both side of the pedigree are recorded, and all Registration and DNA requirements for the HBR are met.
Overseas animal import Fee including Semen and Embryos	$154.50	Covers the administrative costs of collecting all necessary paperwork and DNA data from the exporting country.
Australian animal export Fee including Semen and Embryos	$103.00	Covers the administrative costs of providing all paperwork and DNA data required to the importing country. DNA testing not included.
Commercial Registration Fee (per animal)	$12.50	Allows an animal to be registered into the Commercial register, where the Dam has not been charged an inventory fee. One off fee.
Posted Registration Certificates	First 10 = $5 each 11-20 = $4 each (capped at $60) 21+ = $3 each (capped at $100)	Printing and postage cost for Registration Certificates. (e.g. Two certificates in one envelope = $10) Emailed certificates are free of charge.
Manual data entry	$105 per hour billed in 15min increments	Covers administrative costs for manual data processing. e.g. Calf Recording Forms, correcting bulk animal registrations, sale catalogues not provided in correct template, entering DNA results into HAL database from an alternative laboratory (not Neogen).
Failure to record an animal as Scurred	$123.00	Charged when a member fails to notify HAL that an animal is Scurred and is being sold in a Herefords Australia Limited recognized sale. Notification must be received prior to the sales catalogue being compiled.
Super Sire Nomination Fee	$1,030.00	Sires identified by Herefords Australia who meet specific criteria with the aim to increase the utilization of Hereford genetics across the beef industry.
Freeze Brand Registration	$515.00	Recording a members Freeze brand in the Herefords Australia database, used for animal identification. This is a one-off fee and only applies if the brand is something other than the studs herd letters.

DNA Testing – Bundles

Item	Price	Product Description
Commercial Bundle	$51.50	Includes genomic profiling (ULD30K) parentage verification and enables genomically enhanced EBVs. *Available when using TSU samples only **Add Ons or genetic conditions cannot be included ***NOT suitable for Sires.
Replacement Heifer Bundle	$67.00	Includes genomic profiling (GGP 100K) parentage verification, bovine horn/poll and enables genomically enhanced EBVs.
Sale Bull Bundle	$87.50	Includes genomic profiling (GGP 100K) parentage verification, bovine horn/poll, Hypotrichosis, Dilutor, Idiopathic Epilepsy, Maple Syrup Urine Disease and enables genomically enhanced EBVs.
Show and Sale Bundle	$154.50	Includes genomic profiling (GGP 100K) parentage verification, bovine horn/poll, Hypotrichosis, Dilutor, Idiopathic Epilepsy, Maple Syrup Urine Disease, Delayed Blindness, Mandibulofacial Dysostosis, BVDV/PI and enables genomically enhanced EBVs. *Available when using TSU samples only
Delayed Blindness (DB) & Mandibulofacial Dysostosis (MD) Add On Bundle	$56.00	Includes Delayed Blindness (DB) and Mandibulofacial Dysostosis (MD).

DNA Testing – Standalone Tests

Item	Price	Product Description
SeekSire Cattle Parentage	$44.00	Includes parentage verification. 500 SNP panel.
Bovine Horn/Poll	$44.00	Standalone test to identify horn and/or poll genes.
Dilutor (DL)	$44.00	Standalone test to identify the gene that causes Dilutor.
Hypotrichosis (HY)	$44.00	Standalone test to identify the gene that causes Hypotrichosis.
Idiopathic Epilepsy (IE)	$44.00	Standalone test to identify the gene that causes Idiopathic Epilepsy.
Maple Syrup Urine Disease (MSUD)	$44.00	Standalone test to identify the gene that causes Maple Syrup Urine Disease.
Mandibulofacial Dysostosis (MD)	$44.00	Standalone test to identify the gene that causes Mandibulofacial Dysostosis.
Delayed Blindness (DB)	$44.00	Standalone test to identify the gene that causes Delayed Blindness.

DNA Testing – Base Genotype & Add Ons

Item	Price	Product Description
GGP 100K	$64.00	Includes genomic profiling (GGP 100K) parentage verification and enables genomically enhanced EBVs.
Bovine Horn/Poll	$13.00	Add on test to identify horn and/or poll genes.
Dilutor (DL)	$13.00	Add on test for the gene that causes the Dilutor Condition.
Hypotrichosis (HY)	$13.00	Add on test for the gene that causes Hypotrichosis.
Idiopathic Epilepsy (IE)	$13.00	Add on test for the gene that causes Idiopathic Epilepsy.
Maple Syrup Urine Disease (MSUD)	$13.00	Add on test for the gene that causes Maple Syrup Urine Disease.
Delayed Blindness (DB) & Mandibulofacial Dysostosis (MD) Add on Panel	$56.00	Add on test for the genes that cause Delayed Blindness and Mandibulofacial Dysostosis conditions.

DNA Testing – Additional Products/Fees

Item	Price	Product Description
BVDV (PI)	$16.00	Bovine Viral Diarrhoea Virus (BVDV) test for Persistently Infected (PI) animals. Note – only available when ordered with other tests. *Available when using TSU samples only
Follow up Parent Verification (PV)	$8.50	Additional Parent verification test post initial testing.
Bulk Testing Discount		5% Discount for batches containing over 100 samples. 10% Discount for batches containing over 500 samples.

DNA Testing – Surcharges & Consumables

Item	Price	Fee Description
Surcharge for semen straw, blood or tissue (not TSU)	$8.50 per sample	Surcharge by Neogen for processing Semen straws, blood samples or Tissue (not TSU) samples.
Surcharge for Hair	$5.00 per sample	Surcharge by Neogen for processing hair samples.
Non-approved collector surcharge	$8.50 per sample	Repackaging fee for hair samples not submitted on correct hair cards.
Hair Cards	$2.00 each	Current Hair sample collection cards issued by Neogen. Includes postage.
Tissue Sampling Unit (TSU) Box of 10	$46.50 (plus$12.50 postage)	Allflex TSU vials.
TSU Applicator Gun	$268.00 (plus $12.50 Postage)	Allflex TSU applicator gun compatible with Allflex TSU vials.

Sales and Marketing Services

	Item	Price
General	Email Member Notifications	$400.00 per email blast
